OUR STORY

Cuddlebug - Wellness wherever you go!

Since entering the travel and leisure business in 2008, Cuddlebug has grown to become a highly respected name in the travel and relax pillow sector. We have witnessed the need for high quality travel pillows develop from a “nice to have” accessory to a “must have” necessity in a world where travel is now easier than it has ever been.

At Cuddlebug we've created an impressive worldwide distribution network by listening to our customers then meeting and exceeding their wishes. Total customer focus is at our core and it's what makes us so successful. What started out with just one kids travel pillow and a small assortment of relax pillows, has now grown into a comprehensive range including over 70 different items. Cuddlebug ensures you can travel from A to B in comfort and reach your destination rested and relaxed.

In this catalogue you'll learn about our products and their features and discover why we think Cuddlebug offers the highest quality travel and relax pillows currently available.

Thank you for your interest, we are sure we can make your journey more comfortable.

So sit back, relax and enjoy the Cuddlebug experience.
