Our story

Cuddlebug Wellness wherever you go!

Since we entered the travel and leisure business in 2008, Cuddlebug grew out to be a leading company in travel and relax pillows. We have seen the need for travel pillows develop from an accessory to a necessity in a world where travelling is easier and more common than ever before. Cuddlebug has built up an impressive worldwide distribution network by listening to the input of the customers and living up to their demands, what makes us as successful as we are now.

What started out with just one travel pillow for kids and several relax pillows, has now grown to a massive assortment including over 70 different items. Cuddlebug makes sure you will relax or travel from A to B in comfort and reach your destination rested and relaxed. Cuddlebug stands for high quality travel and relax pillows, presented to you in this catalogue where you could learn all about the products and their extra features.

We would like to thank you for your interest in Cuddlebug and hope we can make your journey more comfortable.

Sit back, relax and enjoy Cuddlebug.
